Ecolab objects to any additional or different terms Supplier's subsequent documents, and such terms shall not be binding. Supplier hereby assumes full responsibility to the maximum extent allowed by law for the risk of personal injury, death, or property damage due to any conditions of the property of Ecolab while Supplier is on the property of Ecolab performing Work or performing Work for Ecolab outside of Ecolab property.

2. MSDS

With regard to chemical substances or mixtures supplied hereunder, Supplier represents and warrants that: (a) it will promptly supply Ecolab with material safety data sheets with respect to chemical substances and will promptly advise Ecolab of any specification changes; (b) meets any chemical inventory regulations that apply in the country and (c) Supplier will continue to provide Ecolab with an updated MSDS for at least 12 months after Ecolab has ceased purchasing said chemical substance.

4. Shipment of Product

Shipment of any Product or performance of any Service constitutes Supplier's acceptance of this PO.

5. Charges for Fulfillment of Error and Delay in Delivery

5.1 The date of delivery is met if the ordered products are received or the ordered services are performed, in full, by Supplier within the agreed deadline at the receiving site indicated in the purchase order. Advance deliveries of products/provision of services or partial deliveries/partial provision of services require Ecolab prior written consent.

As soon as Supplier recognizes it will not be able to fulfil its contractual obligations, either in full or in part, or not within the stipulated timeframe, it must notify Ecolab in writing. The notice must state both the reason(s) for the delay and the predicted delay in time of delivery/time of performance. Any acceptance by Ecolab of a delayed or partial delivery of products/provision of services shall by no means constitute a waiver of any rights or claims of Ecolab due to late or partial delivery of products/provision of services.

5.2 Without prejudice to Ecolab any other rights to claim further damages or to terminate from the contract, in case of delay in delivery of products or in provision of services, Ecolab has the right to claim a penalty which equals two percent (2%) of the order value per each week of delay. In case of Quality issue, Ecolab has the right to claim a minimum penalty of 5% of the PO value or case.

6. Fixed Prices

If such changes reasonably cause a variance in the cost of furnishing the items covered hereby, an equitable adjustment in price or time shall be negotiated promptly and the order modified in writing accordingly. Any claim by Supplier for adjustment in price or time must be asserted in writing within 10 days from receipt by Supplier of the change notice. Failure of Supplier to notify Ecolab of an increase in price or time shall constitute Supplier's agreement to perform such changes or other modifications without increase in price or time.

8. Payment Terms

Ecolab Payment Term is as stated in the PO, after receiving and approval of invoice. All local, state and sales or use taxes, when applicable, shall be stated separately on Supplier's invoices. Supplier shall be solely responsible for the payment of all local, state, and sales or use taxes. Supplier shall show all applicable cash discounts on all invoices. Supplier agrees that the period during which a cash discount will be available to Ecolab will be computed from the date that Ecolab receives the goods purchased or the invoice for the goods, whichever is later. Title to the Work shall pass upon delivery to and acceptance by Ecolab. Supplier acknowledges that Ecolab deploys an electronic system for ordering all goods and services from its suppliers. In order is responsible for its own costs associated with meeting the above requirement. No invoice may be issued before delivery of the goods or performance of the services. For example, if the invoice was received and approved on July 15, payment would be due November 1, subject to applicable bank holidays and weekends, in which case payment would be due on the first banking day thereafter.

9. Competitive Offer

If Ecolab receives a competitive offer to purchase substantially similar products and/or services at overall terms more favourable than the terms in effect hereunder, Ecolab and Supplier shall discuss the matter and if agreement is not reached within five (5) calendar days, then, at Ecolab option, Ecolab shall be released from its obligations, if any, under this PO including for the price, volume, term and sites specified in said supplier offer.
