

SMARTPOWER™

Together
**Let's
Shine.**

For all the reasons that matter:

Let's take warewashing to the next level.

Let's make your operation simpler.

Let's take clean to a whole new level.

Let's raise a spotless glass to your customers.

Together
**Let's
Shine.**

Introducing
SMARTPOWER™

A powerful program to help you shine.

By combining innovative chemistry and expert service, SMARTPOWER™ brings to your restaurant a new level of clean, operational simplicity and sustainability. It's what your guests see that will impress them the most – **a visible clean and impeccable wares.**

SMARTPOWER™

SMARTPOWER™

SMARTPOWER™ is a complete warewashing program that uses proprietary chemistry resulting in the highest level of cleanliness, promotes food safety and sustainability while saving labor and utilities.

The complete warewashing program for results that shine, the first time.

Innovative Chemistry

Highly effective formulas are designed to eliminate the toughest food soils.

Enhanced Safety

Provides safety measures for simplified operations – helping reduce the risk of cross contamination and promoting safer product handling.

Expert Service

Delivering the best service in the industry ensures your success.

BEFORE

The blue dye indicates protein residue.

AFTER

Enzymes in our solid detergent wash away the problem.

*When compared with APEX™ Warewashing solutions.

SMARTPOWER™

SMARTPOWER™ Presoak Pot & Pan

Specifically formulated to **soak off tough grease and baked-on solids** before wares are washed and sanitized.

SMARTPOWER™ Sanitizer

Helps maintain a clean environment and **helps reduce food safety risks** in a small, compact form.

Compact solid chemistry and ergonomic dispenser design **fit tight kitchen spaces.**

Shape- and color-coded solid blocks are **safe and easy to store, carry and load.**

SMARTPOWER™ Manual Detergent

Attacks tough food soils while feeling soft on the hands and **helps reduce water consumption** by up to 75%.*

Proactive service and training help ensure **consistently positive results.**

*By reducing number of sink refills, compared to a conventional competitive liquid detergent.

SMARTPOWER™

SMARTPOWER™ Dual-Enzyme Presoak

Breaks down baked-on proteins and starches, resulting in sparkling flatware.

Proper dilution **eliminates waste and controls cost.**

SMARTPOWER™ Machine Detergent

Reduces expensive rewash by breaking down food soils so they don't reattach to dishes.

Innovative chemistry breaks down the soils, leading to less buildup and cleaner machines to **help reduce maintenance costs.**

Increase labor efficiency through **less rewash and hand polishing.**

Dishmachine Rental Program

Renting your dishmachine from Ecolab allows you to focus on your business with the security of knowing your warewashing operation is properly managed.

Let us focus on the **installation, repair and maintenance** of Ecolab's rented dishmachines, dishwashers and control systems.

SMARTPOWER™ Rinse Additive

Helps **eliminate hand polishing** with reduced spotting and quicker dry time.

SMARTPOWER™

Powerful performance. Results that shine at the lowest total cost.

SAVE

\$301

each year by reducing energy usage by **301 therms**.

SAVE

\$256

each year by conserving up to **18,250 gallons** of water.¹

REDUCE UP TO

249 lbs.

of plastic waste disposal every year.²

SAVE UP TO

18,250

racks run every year.³

REDUCE REWASH BY

60%

ensuring wares are visibly clean for your guests.³

REDUCE LABOR COSTS BY

\$3,042

eliminating **304 hours** annually.

¹ Based on running 500 racks per day and reducing racks by 10%.

² Versus five-gallon plastic pails, based on running 500 racks per day.

³ Based on running 500 racks per day and reducing racks by 10%. Testing proved 61% reduction in rewash, resulting in 10% reduction in overall racks washed daily. Results may vary based on your specific set of circumstances.

The full solution for every stage of your warewashing program.
