

# Cleaning Solutions For Hotels That Welcome Pets

## Create Exceptional Experiences For All Guests

- ▶ Enable labor efficiencies with simple procedures and training on cleaning protocols related to pet guests
- ▶ Help promote pet safety by killing pathogens that cause Canine Parvovirus and Canine Distemper Virus<sup>2</sup>
- ▶ Help protect your assets through effective stain removal and odor elimination
- ▶ Reduce the number of products needed through streamlined procedures and use of multi-purpose solutions

<sup>2</sup> When used according to the directions for use, EPA Reg. No. 1677-272 or 1677-273. Contact/Kill times for Rapid Multi Surface Disinfectant Cleaner:

- Norovirus, Canine Parvovirus, Canine Distemper: 30 sec at 4-6oz/gal. NOTE: Canine Parvovirus and Canine Distemper claims not approved in the state of California. Follow label directions for 5 min contact time.
- Murine Norovirus: 30 sec at 6oz/gal, 2 min @ 4oz/gal.

<sup>3</sup> Claim approved by federal EPA. Soft surface disinfection and soft surface virucide are not approved in California. In California, please use soft surface sanitization application.

Guests rank the **smell of their rooms** and the **overall cleanliness** among the most important attributes contributing to their satisfaction.<sup>1</sup>

<sup>1</sup>Source: Study conducted by AHLA December 2020.

### KILL PATHOGENS

Rapid Multi Surface Disinfectant Cleaner quickly kills pathogens left behind by pets on hard surfaces, and disinfects soft surfaces<sup>3</sup>, protecting staff, guests and other pets.

### HELP ELIMINATE ODORS

Turn rooms quicker by using this fast-acting odor eliminator daily to biodegrade pet odors, such as urine, from hard surfaces, carpet, furniture and upholstery.

### TACKLE STAINS

Help extend the life of your assets and minimize labor with simple, effective stain removal products for carpets, upholstery and linens.

# Promote a higher level of cleanliness and employee efficiency

- **Streamline Operations:** Save time and simplify housekeeping with multi-purpose products and easy-to-follow procedures
- **Expert training and support:** On-demand digital training and on-site support for efficient and consistent onboarding, cross-training and knowledge reinforcement
